Dear City Softball Tournament Sponsor:

I want to personally thank you for your ad or banner for the 2007 Kiwanis City Softball Tournament. Your contribution has helped to make this one of our best years.

I would like to take a few minutes to tell you about Kiwanis and what your contribution will accomplish for the children of Kenosha.

Kiwanis Breakfast Club is part of Kiwanis International. This organization is made of men and women just like yourself who wish to help the children and their communities throughout the world who are less fortunate.

Kiwanis is a service organization that gives 100% of our contributions back to the community. We have worked on such campaigns as "Walk Home with a Friend", church directories, smoke detectors for the hearing-impaired, and many other projects including providing scholarship assistance to physically and mentally handicapped students.

If you would like to know more about Kiwanis or would like to get personally involved, please join us for a meeting and an excellent breakfast. We meet every Wednesday at 7:00 am at Baker Street Restaurant & Pub.

Again, thank you for your support! Hope to see you soon.

Sincerely,

David Schueller
Past-President
